Schedule 1 NSCV Part B

(section 3)

[1] Clause 1.6

substitute

1.6 Meeting the required outcomes

A vessel is taken to meet a required outcome if:

- (a) the vessel is deemed to satisfy a solution that is specified for the required outcome is complied with; or
- (b) the vessel meets any equivalent means of compliance that is approved by the National Regulator under Division 4 of *Marine Order 503 (Certificates of survey – national law) 2018* as providing the same level of safety as the deemed to satisfy solution; or
- (c) the vessel meets an equivalent means of compliance approved by the Australian Maritime Safety Authority under:
 - (i) section 1.6 of NSCV Part B, as in force on 31 December 2017; or
 - (ii) section 3.4 of NSCV Part E, as in force on 9 June 2016.

Note If the vessel has an approved equivalent means of compliance, the owner must ensure that the vessel also meets the other deemed to satisfy solutions mentioned in any Part, Section or Subsection of the NSCV that the approved equivalent means of compliance does not replace.
